HI AND WELCOME

It has been an exciting year. As some of you might know, we turned an old train shed into an amazing experience Walhalla: the Snorfabriek. A place with freight containers and covered wagons where creative people could do their thing. All kinds of experts gave workshops and readings. There was also a shop and a café. We played the roles of catering chef, Mr and Mrs Fawltly, caretaker, renter and oh of course... publisher. We have to admit that it was a bit too much sometimes. Hopefully, you did not notice a thing, as our catalogue remained perfect and the books were finished well in time (wink, wink).

But now! The Snorfabriek is temporarily closed. So take a seat, because **the bitches are back!** We have been devoting our time fully to the publishing house since February. Eight new titles; some even more beautiful than others, even more original and also more commercial. Is it okay if we say so ourselves from time to time?

So now we are going to smoke a cigar and prepare ourselves for excellent sales numbers. And we will reminisce about a perfect catalogue and the easily-achieved deadlines.

Hasta la vista!

PS. We had so much spare time that we even decided to overhaul our catalogue. Isn't it beautiful?

BOOK OF MEMORIES: LIKE A FRIENDS' BOOK
BUT FILLED IN WITH MEMORIES OF A DECEASED
LOVED ONE.

It is always hard to find comforting words when someone passes away, but there are always memories. **These memories make sure that someone won't be forgotten.** Memories could give tears or put a smile on your face.

Gather together the most beautiful stories from friends and relatives, the funniest anecdotes and the best pictures of someone who is being missed. Either straight after a loss or years later: **this book is a beautiful gift for someone who could use some brightness in his or her life.**

Friends and family can answer questions in this luxuriously-designed book, such as: what is your most beautiful memory of this person? When did you meet? What would you like to say to this person if you had the chance? What were his/her most beautiful characteristics? What is your funniest memory together? There is also space for writing, drawing and pictures to make the stories even more personal.

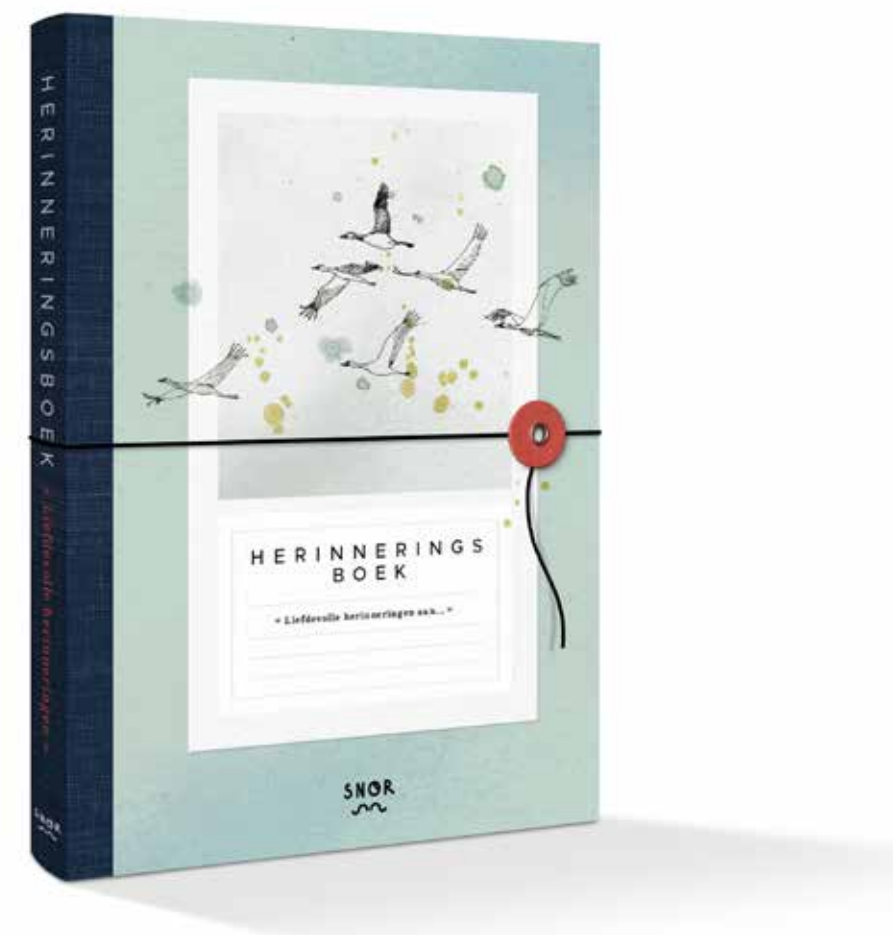

ABOUT THE AUTHOR:
