& FRIENDS™

SPRING 2020

INSIDE:
Meet our new Friend,
Elizabeth Gilbert!

HELLO, RETAILERS!

Happy 2020! We're thrilled to be welcoming this new decade with two incredible new Friends on our roster, some long-requested products (hello, mixed boxed card sets featuring bestsellers!), and a new partnership with the online wholesale platform Faire.com.

Our first new Friend is none other than literary giant and font of human wisdom Elizabeth Gilbert, whose work I've admired for decades. Keeping our partnership with Liz secret for a year was a true test of my Gemini big mouth, and we're all so excited to finally present these products.

Our second new Friend, of whom we are equally proud, is a brilliant and hilarious editorial artist based here in Los Angeles who goes by Sarah NoSpecialName. I freaking love this collection, and our staff argued over who got to keep her samples, which has never happened with MY work (ha—I'm not offended!), so I'm taking this as a good sign.

You may also notice that this catalog is less robust and glossy than it's been in seasons past. In an effort to be more eco-friendly, and to better meet the changing needs and preferences of our buyers, we're shifting more of our wholesale sales efforts online. There are now two ways to order our products: by visiting our wholesale site at emilymcdowell.com/wholesale, or by visiting emilymcdowell.com/faire.com. You'll find more and larger product photos online, and if you'll be in Atlanta or Vegas this season, please come see us, and our new stuff, at the Best in Show showrooms. (Atlanta: Bldg 2, #1201; Vegas, Bldg C, #699)

Can't wait to hear what you think of this release!

ELIZABETH GILBERT FOR *Emily McDowell* & FRIENDS™

Elizabeth Gilbert hardly needs an introduction. She's best known for her 2006 memoir, *Eat, Pray, Love* (which has sold over 12 million copies worldwide), and has penned four other *New York Times* bestsellers, both fiction and nonfiction.

Liz is also beloved on social media, where her shared insights into the human heart have attracted nearly 3 million devotees. We drew on these writings to create this collection of cards and journals. This work has never before been published in holdable, paper-and-ink form, and we're honored to bring it to life.

In addition to her wisdom on the human condition, Liz is also known for her poignant, honest, and hopeful writing about grief, illness, and loss, which makes her the perfect fit for our Empathy Cards.

NOSPECIALNAME
FOR
Emily McDowell & FRIENDS™

Under the anonymity of one of the most common girl's names of the '80s, Los Angeles-based artist Sarah NoSpecialName has overcome her own struggle with basic-ness to explore a fundamental question of modern life: do we all just suck now? Sarah's editorial paintings, skewering and referencing modern culture, are a fresh, funny take on what it's like to be a person in 2020.

We had an absolute blast developing this collection, playing in the areas where our work intersects: feminism, cultural commentary, and making you laugh. This release includes two new picetypes for us: journals in a new and different format, and cold drink tumblers!
