## GOAL GET 'EM!

of the mountain, write a goal that you have. This can be as big as your ultimate career goal, or as small as "learning to draw something that isn't a stick figure."  
mountain climb into smaller, much-more-manageable hikes (or short strolls even), by the steps it will take to get there. When you complete each step, put a check mark next to it. you get to the top, hire a trumpeter to underscore your box-checking with ostentatious fanfare. take a hard-earned nap.

## SOLAR PLEXUS POWERS ACTIVATE!

It's been proven\* by science\*\*, that repeating mantras and saying affirmations aloud helps make them come true and actually stick. Activate your personal potency by saying the following phrases out loud, in a very convincingly confident voice, while standing in a power stance. Take your pick from the poses below.

### THE WONDER WOMAN

Listen up, diva! I claim my personal power and let it burn like a blindingly bright supernova. Sorry for your blindness. Not sorry for my power.

### THE SUPER MAN

I achieve everything I set my mind to. Once I decide I want it, it's as good as done. The only thing left to do is the doing, which is way more fun than sitting around and waiting (or self-hating). Doing powers, ACTIVATE!

### THE MORE-CONFIDENT-THAN-AVERAGE REGULAR PERSON

I deserve to have the life I want, and I call it into being. That's right, Dream Life! I see you, I know you, and I'm declaring myself entwined with you. (Thanks you, right Dream Life? Sorry, you look different with that haircut.)

# Heart

## ANAHATA (HEART) CHAKRA

The heart chakra marks our evolutionary leap into the first level of the four "higher" chakras—that is, the chakras that are less about human affairs, my food, my relationships, my promotion that should never have gone to Kevin, and more about our connection, our oneness, our understanding of spiritual truths...and that even includes Kevin. The heart chakra takes us straight out of our own personal B.S. and into a zone of compassion, forgiveness, and generosity. It is the chakra of unconditional love, as felt by anyone who has a child.\*

### WHEN YOUR HEART'S RIGHT:

You'll enjoy intimacy with an open heart and no nagging echoes of chaotic relationships past. You'll forgive easily, communicate with empathy, and give love and support to your nearest and dearest with no expectation of return.

"You got me a gift? I told you—giving to you is my gift."

### WHEN YOUR HEART'S OVERACTIVE:

Side effects include jealousy, stinginess, or excessive self-interest. It can also cause you to play the martyr card, giving excessively to anyone and everyone around you, without the boundaries needed to maintain your own self-care.

"Well if I stop to sleep then who will feed the city's pigeons?"

### WHEN YOUR HEART'S BLOCKED:

Life will play all your least favorite hits: sadness, insecurity, mistrust, and emotional meltdowns over everything from work emails to romcom movie trailers. Not the funnest days/weeks/months/years on the calendar.

"I can't come in to work today. I'm crying into my oatmeal again."

### KEY CONCEPTS:

Love Empathy  
Trust Connection  
Compassion

### LOCATION:

Center of the Chest

### TO OPEN AND BALANCE YOUR HEART:

Color: Green (also sometimes depicted as pink)

Essential Oils: Rose, Neroli, Melissa (a.k.a. Lemon Balm)

### Stones:

Obsidian = Pink Topaz

Blocked = Peridot

For General Balance = Rose Quartz

Yoga Pose: Cobra

Musical Key: F

Food: Lettuce, Spinach, Kale, Mint, Green Peppers, Cucumber, Celery

### HEART CHAKRA PLAYLIST (SONGS IN THE KEY OF D):

"Open Your Heart" (Madonna)  
"Let's Go Crazy" (Prince)  
"Crazy in Love" (Beyoncé)  
"Just the Way You Are" (Bruno Mars)  
"Call Me" (Beyoncé)
